

## SMALL GROUP QUESTIONS

---

1. What Easter traditions did you grow up with? Or what is one favorite Easter tradition you currently enjoy?
  
2. When it comes to stories, which part of the story of Jesus' final week is the most compelling to you? What is the most challenging?
  
3. Review the three points from the "Shadow" story of Easter (see the sermon outline).
  - A. What new idea did you learn?
  - B. What questions do you have?
  - C. Which part of the message was particularly meaningful to you and why? How does it make a difference in your daily life?
  
4. For the next four weeks, we will be learning about Bethel's values. In preparation for the sermon series, brainstorm what you think makes Bethel unique from other churches. What do you see as our core commitments?
  
5. Break into gender groups to share prayer requests. Apply what you learned from the Pray. Live. Repeat sermon series as you pray.
