Family Time Questions

1. Who do you want to be when you grow up?
2. What decisions do you need to make to get there?

Family Discussion

1. Remember that the choices you make will lead you towards your goal in life.
2. Discuss what we are living for. (Temporary body vs eternal soul)
 - a. Are you living to please yourself now or to please God in all you do?
 - b. How do we do each? (e.g., playing video games all day or getting closer to God through prayer and Bible reading)

Suggested Activity

- First, tell your child to complete an activity (Like making a peanut butter & jelly sandwich)
- Then, blindfold your child and tell her/him to complete the same activity and they only have 30 seconds.
- Last, blindfold your child and tell her/him to complete the same activity in 30 seconds with your help.
 - Notice the urgency when there was a time limit
 - We must act urgently because we have a time limit. Earth is not our eternal home (Hebrews 13:14)
 - Notice the difficulty when s/he was blindfolded
 - Obstacles will come our way when we are focused on eternal life
 - Notice how your guidance helped your child finish the activity even though s/he was blindfolded
 - No matter the obstacles that we face, our trust is in God and He will never leave us or forsake us

Main Point

- Since our eternal home is not here on Earth, we must live our lives to:
 - Trust Him with our life decisions (built on a solid rock)
 - Please God
 - Grow His Kingdom

Pray: Dear God, thank you for your word and thank you for Jesus, please help us to make good decisions and put first things first, help us to realize that you should be number one, also help us to live with a hope of heaven as our goal, in Jesus name. Amen!
