

## BETHEL SUMMER READING PLAN

At a time when there are fewer things that we're able to do together, there's one experience we can all share: engaging in God's Word! This summer, be engaged in the Bible with your church family as Bethel unites in reading through Psalms.

The space, place, and time are up to you, but the page is where we will all be together. Beginning June 8 and going through August 23, we will spend each day reading through two psalms.

Go to [bethel.ch/same-page-summer](https://bethel.ch/same-page-summer) for more resources, and share how you're engaging in the Psalms in your small groups and on Bethel's social media platforms.
