

## SMALL GROUP QUESTIONS

### BY FAITH: RAHAB

Adam Phillips | Joshua 2:1-14 & Hebrews 11:31 | November 21, 2021

1. Luke 7:1-10 What aspect of faith can you deduce from this passage?
2. Mt. 15:21-28 What aspect of faith can you deduce from this passage?
3. Mk. 5:25-34 There were many who believed Jesus could heal that were in proximity to him, touching him, bumping into him that day. What was different about this woman with the issue of blood and what aspect of faith can be learned from this encounter?
4. Describe a time of desperation in your life. Did you pursue God with an “at-all-cost” mentality or turn toward other things?
5. Read Genesis 17:15-21 and Genesis 21:1-7. What were the promises that God made to Abraham? Were the promises fulfilled? What risks or costs have you had to take based on the promises God has made to you in the scripture? (1Cor. 15:19)
6. In our lives as Christians, we should find assurance, hope and confidence in Jesus. (Rom 8:38-39). Do you see this as a burden (something you must do) or as a blessing (something I get to do)? How should this motivate us to take faith-based risks in our lives?
7. When was the last time God called you to take a faith-based risk? How did you respond? Why?

#### Prayer Prompt

Break into partners or groups of three. Share what you most need faith for this week, and then take turns praying for each other for the boldness, courage, and trust needed to step out in faith.

#### Application

Talk with your small group and plan out a way to give sacrificially as a group during this holiday season and meet the needs in your community.
