

SMALL GROUP QUESTIONS

God's Greater Work

Dave Dawson | Haggai 2:1-9 | Sept 25, 2022

1. Next Sunday is LocalFest. To prepare for that day, discuss what service opportunities your group might be interested in. You can go to beth-el.ch/local-partners to get some ideas.
2. How will your group hold one another accountable for serving? Will you all serve together, will each person find their own service area and share about it, or something else?
3. Is it important to serve both inside and outside the church regularly? Why or why not?
4. Share about serving opportunities you have engaged in. What went well? What was a challenge? Would you do it again? Why or why not?
5. Read John 13:12-17. What is the context of these verses? What happened before/after?
6. What had Jesus done for the twelve disciples? Why? What was awkward about Jesus being the one to do a job that was always done by a servant?
7. Jesus commanded in v. 14 that "you also should wash one another's feet". We don't go around washing each other's feet in the church though. It's not a sacrament like baptism. Why do you think that is? What are we supposed to be doing instead?
8. What example was Jesus setting (v. 15)? How is this different from the secular world we live in?
9. Jesus washed the feet of Judas Iscariot knowing that he would betray Him. How does this help you deal with the difficult people in your life?
10. How can we perform the lowest, the dirtiest, and the least desired tasks in our environments?
