

DAY FIVE

REFLECT AND MAKE AN ACTION PLAN

Pure evangelism is really just an expression of love. In this way evangelism is not so much something we do but rather who we are.

Here's a progression of thought:

Do you really care for a person?

- Then you will listen to that person.
- You will want to discover the unique pieces of how God made them and what He made them for.
- You will care for that person.
- You will want to know their hurts/brokenness (they are being robbed of joy and life)
- You will want to provide help.

The answer to every problem is Jesus. By caring for someone from a true heart you are sharing Jesus. Thus evangelism becomes not so much a thing you do but an ever present expression of who you are.

ACTION PLAN – WHEN ARE YOU GOING TO DO IT?

What is your action plan going forward?

- Does your heart towards those who are far from God need to soften or be mobilized?
- Have you written out your testimony? Share it with one person and ask for feedback.
- Do you need to devote strategic prayer time over those on your Oikos map?
- Is there someone on your Oikos map you need to initiate a conversation with, and move it towards a gospel conversation?
- Ask the Lord if there is someone on your Oikos map you could share with using the three circles approach.
- Take a step this week to set that Gospel appointment (lunch date/coffee), with the intent to listen and then to share.
